2. The proposal of the applicants to convert the Vaddaragudi tank bed into xxx irrigable wet lands is not feasible for reasons explained in the letter of the Executive Engineer, Gauging and Upper Channels Division. Nor is it practicable to grant wet lands under the Mandagere Channel. The lands to be irrigated under the Irwin Canal are under investigation and it is too early to think of any grant o lands under this Canal.

Subject:- Petition of Dharmadarsis of Sri Channakesava Swami temple at Belur addressed to the Dewan of Mysore.

With reference to your No. 6436/KSS dated 12th June 1928 forwarding the above, I have the honour to submit the following report:-

The breached tank of Rampur which is situated in the Malavalli taluk is of course not commanded by the Mandagere Channel. As regards the bed of Vaddaragudi tank which is chosen by the Dharmadarsis for we cultivation, it may be pointed out that this proposal involves not onl the excavation of a long hikkal along the water spread contour of the tank but also the construction at a heavy cost of an upper bank 10 to 12 feet high for a length of 2¼ furlongs above the tank bed level, to prevent the spread of channel water and of a superpassage to dispose of the ~~cross~~ cross drainage now entering the tank.

Further, the site does not afford facilities for draining when necessary, excess irrigation water passed on to the lands.

For these reasons, I am of opinion that the request of the --- Dharmadarsis to convert the bed of Vaddaragudi tank through which the Mandagere Channel is now running into wet land cannot be complied with as the proposal is not feasible.

The printed petition is herewith returned.

SIR,

2. [illegible]

[illegible] intimated [illegible]

letter C.No.1136/32-33 dated 22nd September 1932. Finally the offer of the Indian Jewellery Mart to proceed to Belur, study the requirements of the temple in consultation with the Local officers and prepare necessary designs and estimates was ---- accepted. The Firms Representatives visited Belur on 25-1-33 and furnished an estimate for Rs.5248-0-0 for remoding and --- remaking the jewels and silver articles of the Temple and for preparing a silver mantap at a cost of Rs.3225-0-0. In, in the meanwhile, Mr. P.G. Subba Rao of Messrs P. Govindappa & Son undertook to examine the Jewels and prepare the necessary -- estimates without claiming any charges towards his travelling and other expenses, necessary permission was given in this --- office letter of the 5th March 1937. Mr. Subba Rao tendered an estimate for Rs.1372-0-0, exclusive of the cost of preparing the silver montop.

2. In ~~the~~ agreement with the views of the Dharmadarsis, - the Deputy Commissioner recommended that the estimate furnished by Messrs. P. Govindappa & Son may be accepted as the rates ---- charged by the Indian Jewellery Mart were comparatively high and that a special grant of Rs.2000/- may be sanctioned from State Funds for the work. Subsequently, however, the Deputy Commissioner opined that as the Indian Jewellery Mart was known for its good workmanship their estimate may be accepted to --- ensure proper preparation of all the Jewels.

3. While the matter was under my consideration, one Mr. --- Seikantachari of Mysore brought to notice that previously he had done some work for the Nanjangud, Srirangapatam and Melkote temple and requested that the work connected with the Belur temple may be given to him. In obedience to the orders of the Deputy -- Commissioner he visited Belur and after ascertaining the details of work to be done, submitted an estimate for Rs.1550-0-0 for the entire remaking and repairs of Jewels etc. In reply to an endorsement issued from this office enquiring whether he -- should attend to the repairs at Belur subject to supervision by the Taluk and Temple authorities and in what time the work would be finished, Mr. Seikantachari submitted that he ~~would~~ will proceed for

to Belur with 4 workmen and [illegible] the Taluk and Temple authorities [illegible] work within 1 month/1 month [illegible] Rs.15/- per month/workman [illegible] Rs.10/- per month per workman.-- The [illegible] Rs.1710-0-0. Mr. Srikanta Achar [illegible] jewellery, besides being a competent Goldsmith. He is well-known in Mysore. I beg therefore to [illegible] that, the required quantity of gold, silver and [illegible] available in the temple, the estimate [illegible] Rs.1710/- [illegible] Mr. Srikantachari may be sanctioned, the charges [illegible] met from the sum of Rs.1800-0-0 available [illegible] 30th June 1938.

3. In view of the urgency [illegible] and of the long delay that has already occurred, I have requested the Deputy Commissioner to [illegible] immediately. I request that the [illegible] may kindly be approved.

MR

RESPECTED SIR,

I learn that some new jewels are to be prepared for use in Chennakeswaraswamy Temple at Belur and that some old jewels belonging to the said Temple are to be repaired.

I wish to bring to your kind notice that Mr.A. Subramanya Iyer when he was the Muzrai Secretary was pleased to give me similar works in Nanjangud, Seringapatam, and Melkote Temples, and I did the works to the entire satisfaction of the authorities.

So, I request you to be kind enough to give me the contract for making and repairing the Jewels required by the said Chennakesavaswamy Temple authorities.

I shall submit my tender as soon as I get an idea of what is to be newly made and for this purpose I pray that I might be given a chance to go to the Temple so that I might personally know the details.

For which act of kindness I shall ever be grateful to you,

I beg to remain,

Secretary to the Government of His

SIR,

With reference to correspondence ending with your letter No. 2568/Muz.83-28-4 dated 21st May 1929 re provision of Military Guard to the Sri Chennakesavaswami temple at Belur, I have the honor to -- forward herewith copy of letter No.C.1322-28 dated 8th October 1929 from the Deputy Commissioner of the Hassan District, requesting that sanction of Government may be obtained for the deputation of 2 sepoys and a naik at a total cost of Rs.60/- p.m. and for the construction of a quarters at a cost of Rs.2500-0-0 the charge being met from -- State Funds.

2. According to the statement of income and expenditure already furnished it will be seen that on a three year's average the temple gets an annual income of Rs.5295/- and that the expenditure comes to Rs.4118/-. The recurring annual surplus of Rs.800/- which is subject to variations is not even sufficient to meet the legitimate requirements of this temple of historic and archaeological fame, and as such no portion of it can be made available either for recurring or non-recurring expenditure. In view of the importance of the temple and of its slender resources I beg to recommend that, as a special case, sanction may be accorded to depute half a Phara at the cost of State Funds, provision being also made in the next year's D.P.W. budget for the construction of quarters for the sepoys.

3. I solicit the favour of early orders in the matter.

I have the honor to be,

Sir,

Your most obedient servant,

R. N. Vanhouten Surveyor.

(Absent from station)

Letter No.C.1322-28 dated 8th October 1929 from the Deputy Commissioner, Hassan District to the Muzrai Commissioner in Mysore.

With reference to your letter No.C.434/28-29 dated 29-5-29, requiring me to submit definite proposals for providing Military Guard to Sri Chennakeshavaswamy temple at Belur, I have the honor to state that the Sub Division Officer, Saklespur, reports in his No.A4-C.220-28 dated -- 25-9-29, that the Dharmadarsis of the temple have resolved on 1-9-29, that ~~xhexx~~ 2 Barr Sepoys on a pay of Rs.17/- each per mensem and 1 naick at Rs.20/- per mensem and the usual clothing allowance of Rs.2/- each per mensem costing in all Rs.60/- per mensem as also quarters for these people at a cost of Rs.2500/- is necessary and this has to be met entirely from State Funds, as the amount at credit of the institution is too low to meet this cost.

I am also of the same opinion and request that sanction of Government may kindly be obtained to meet the expenditure from State Funds.

I am directed to state that [illegible] Supply of Military Guard is not allowed to any Munzai institution and if allowed in this case it will have to be allowed in many other cases.

It is not desirable to keep very valuable jewels in the temple for every day use and they should be kept in the Saluk Treasury and taken out for use only on special occasions.

The records relating to the case are returned herewith.
